

- IMPORTANT -

Your manuscript submitted to *JSTQE* includes color figures.

Color figures are very expensive to print. We must ask authors to absorb some of the cost. We cannot print figures in color without the author's express written approval of the charges.

The form below must be filled out before your figures will be printed. Please help us speed up the printing of your paper by returning this form **as soon as possible**.

JSTQE Manuscript ID #: JSTQE-INV-PDLPC2020-07983-2019.R1

Corresponding Author: Jaffrey M. Shainline

Title: Fluxonic processing of photonic synapse events

***Please note:**

- **The cost to print any figure in color is \$275.00 per figure.**

☒ **I do not wish to have any of my figures printed in color in hardcopy. Please scan and print my figures in black and white at no additional cost to me. But, I understand that my color figures will appear in color in the IEEE Explore for free**

Date: 7/3/2019

Signature: 

☐ **I accept the charges to print my figures in color.**

Please list the numbers of the specific figures which should be printed in color:

Figure # _____

Figure # _____

Figure # _____

Figure # _____

**Questions regarding Color for manuscript submissions should be routed to:
The JSTQE Production Coordinator, Shannon Campos at Shannon.campos@ieee.org**

**For questions regarding generating an invoice, bill to address, payment processing,
email: reprints@ieee.org**
